

# Travel and Covid

## **Important Info**

***If the borders are closed:***

***We undertake to reimburse all monies collected in the event of cancellation or postponement of the event.***

***If you test positive before departure:***

***If you contract Covid-19 before your trip departs (positive PCR test), you will not be able to leave. You can only be reimbursed if you have purchased the Covid insurance offered by Tendao. (Contact us [franck@tendao.net](mailto:franck@tendao.net))***

***PCR TEST TO BE CARRIED OUT DURING THE TRIP:***

***If the French regulations require a negative PCR test for the return to French soil, TENDAO will organize the logistics on site to perform this PCR test: making an appointment, transfer to the place of the test, etc. (On the other hand, the costs of the PCR test will be the responsibility of each traveling customer)***
